

Pōtaka = Spinning top

In this project we will be looking at spinning tops of different cultures. We will be using this information and look at ourselves to make our own personal identity spinning tops.

We will be going through the following steps:

1. Research into the spinning tops of Māori + one other culture (UC)
2. Develop some ideas and concepts for our own spinning top (UC, DI)
3. Make our own! (PK, CI)
